SEED DONATION FORM

Mojave Desert Land Trust Conservation Seed Bank

Fill out one form per species. Please print clearly.

Collector Name		Collection date	
Phone/email		Received date (for office use)	
Plant name (genus, species)	<i>eg. Larrea tridentata</i>	Plant name (common)	<i>eg. Creosote bush</i>
Source of parent plant(s)	Wild Cultivated Unknown (circle one)	# of plants collected from	
Landowner name*		Location* (description, address, or GPS coordinates)	

*If you are not the landowner, please be aware that it is illegal to collect on public or private land (including MDLT property, properties of unknown ownership, federal lands, etc.) without permission from the landowner/land manager. **MDLT does not accept donations of seeds that have been illegally collected.**

Instructions for packaging and mailing seeds:

- Place dry seed, pods or fruits in a paper bag (not plastic)
- Fold top of bag and staple or paper clip closed
- If sending multiple species, write the corresponding plant name on each paper bag
- Keep seeds in a cool, dry place until ready to mail
- Mail in a box or padded envelope addressed to MDLT Conservation Seed Bank, P.O. Box 1544, Joshua Tree, CA 92252

Your donation helps our nursery and seed bank grow—Thank you!
